Campus Updates

Beaver We finished our pennstate palooza and are just trying to build our network

Fayette we just finished a survey that covers tobacco and advising and everything and our baseball field is underway and we have a meeting with our chancellor coming up and we have non-traditional student week where we brought in different snacks and every Monday of next month we'll have breakfast with the vets and we recently put together a float for Halloween and we got 3rd place out of 60 and they invited us back to a November holiday parade

Angela are there any issues on our campus you guys want to discuss? None

Darryl When is that float thing?

Fayette it's at the end of November we have pictures. We're gonna share those with you guys

Angela okay so the campuses volunteer day

Darryl so their service ad hoc was suggesting we do it in April because it's a child awareness month and they kinda picked a date April 11th and just run it through your events and get it out there

Brant we want to focus this on the child advocacy centers around the state. So say a child is abused and if a teacher recognizes what's happening they can tell the principal and they can tell the police and instead of taking them downtown you can take them to a center which is much more comfortable with toys and that nature which allows the children to open up. And we have the opportunity to help these groups and we can volunteer our time and donate toys and things and we can make baked goods and donate that money, or just landscaping work, we can all do service.

Fayette by looking at the map there are two in Allegheny which support the whole area and they're at hospitals in the Allegheny area, so I don't know if they'll allow us to come into the hospitals

Brant so left contact info for the people who oversee this so we're just going to call and be like penn state is looking to help out can we work with you. So hopefully right around January and our goal is to have everyone do this all the campuses and even if the center is far you can still drop off stuffed animals

Fayette at the end of December we have build-a-bear coming in would that be a good thing to donate? Can we donate those bears?

Brant you'll have to talk to her about that because they don't want old/used toys

Angela so how are things on the campuses going

Dubois so things are going well we had a good voter turnout

Brant I think a good way to get people involved is to ask them to get involved and just send out that invited so they know it's out there

Darryl I think it's all about marketing, what other chance are you gonna get to know your chancellor?

Fayette I think our tone is set in orientation and when that tone is set it kept that going and we have freshmen involved in sga. I do like the idea of the banners.

Angela

So pennstate beaver is having a skate night it's dec 5th \$20

Beaver I don't know about that maybe don't bet on it

Fayette we've got a trip to NY

Angela I want events that I can go to Hopefully Friday, the weekend. Late at night were we can drive down. So Coucil is next January any questions for the good of the order

Fayetter how many student life employees do you have?

Beaver 3 and they we have students who do workstudies.

Fayette we got a bobby.

End
