Whereas, The Council of Commonwealth Student Governments (CCSG) represents the concerns of the students attending each campus, in matters of a University-wide nature, as well as those issues impacting the combined interests of the campuses;

Whereas, We, as representatives of the Commonwealth recognize that our university, The Pennsylvania State University, has an issue regarding sexual assault and misconduct on our campuses;

Whereas, After recognizing this very troublesome issue we are in support of President Barron's adoption of the eighteen recommendations set by the Penn State Sexual Assault and Sexual Harassment Task Force;

Whereas, Specifically, the recommendation for the use of Green Dot training across our entire university;

Be it resolved, The Council for Commonwealth Student Governments (CCSG) supports the implementation of Stand With State, Penn State's initiative that will provide Green Dot training across all of the Penn State campuses.

Respectfully,

Logan Starr
(Student Affairs Director, CCSG)

Bryan Underkoffler
(Associate Student Affairs Director, CCSG)

Adam Shim
