 - i. Things approved by FS and AQUE in the past year effect FL 2016
 1. Add drop deadline is now 6 not 10 days
 - a. Add/drop varies based on the length of the course
 2. Late Drop in no longer "W" on Degree Audit it is "LD"
 3. No limit on late drop credits
 4. Limit 3 times attempt for one course. Must petition in order to retake the same class a 4th time
 5. Add period is ONE day later than the late drop to allow seats to open from late drops
 6. If someone withdraws from the university, it will NOT count as an attempt
 7. If C or better and want to retake it, must go through extensive process
 8. Minors- 18 credits or more- 6 credits need to be courses that do not overlap with major
 9. ETM can now happen in the third semester IF student has 2.0 or higher and all ERTM courses complete
 10. After 60 credits, tuition increases based on major
 11. Academic warning and suspension will be more interactive with lionpath and will encourage students to see advisors before they are suspended
 12. 80% of a course material must be the same throughout the entire university for individual courses
 - a. Gregg Abington: How will this be enforced?
 - b. Yvonne Gaudelius speaker look at syllabi to see if the course is teaching what the faculty senate wants. If someone thinks there is an issue with course curriculum go to division head of that department

13. Distinction level changes back to Latin names and chords will be given for these honors. Also for honors students and vets. Effective December grad class of 2016
14. Changes to pre requisites: LionPath will not register you for a class if you did not complete the pre requisite and will remove you from a class if the pre requisite was taken and not passed
 - a. For SP, LionPath will not kick you out of the class until the end of the summer to allow students to make up failed classes.
15. Schedules status is gone. Scheduled changed to registered after bill was paid (old way), now you are registered and you needed to agree that you will pay for them by signing an agreement
16. NOT A POLICY CHANGE: Undergrad bulletin: course catalog will be in LionPath. As courses are updated they will ONLY be changed in LionPath and not update the bulletin.

IV. Open Forum:

- Gregg Abington: priority registration?
- Yvonne Gaudelius- 35% of students have it and they thought they needed to take it all away. Only students to have it are vets, Honors Students, and athletes. If you need to get it back, you need to apply for it again through faculty senate.
