**Whereas,** The Council of Commonwealth Student Governments (CCSG) represents the concerns of the students attending the campus in matters of a University-wide nature, as well as those issues impacting the combined interests of the Commonwealth Campuses, and

**Whereas,** Evidently, over the past few years, the topic of justice and equity has become increasingly prevalent and is a priority for faculty, staff and students throughout the university, and

**Whereas,** To promote an inclusive environment for Penn State students, a Standing Educational Equity Committee will ensure this topic is consistently addressed, and

**Be it resolved,** The Council of Commonwealth Student Governments authorizes the Constitutional Review Committee to amend the constitution and add a Standing Committee known as the Educational Equity Committee with the following language below.

**Educational Equity Committee**

- Will review and implement programs related to justice and equity that concern the Commonwealth Campus students.
- Will prepare a list of goals at the first fall meeting, which will be presented to the Council for approval, and will serve to direct the efforts for the year.
- Will be directed by a CCSG Central Staffer with experience in justice and equity issues to facilitate communication.
- Will maintain a roster of Campus Liaisons to the committee

Respectfully,

Natalie Neptune  
Director of Educational Equity
