Whereas, *The Council of Commonwealth Student Governments (CCSG) represents the concerns of the students attending the campus in matters of a University-wide nature, as well as those issues impacting the combined interests of the campuses, and support the changing of the name of Campus Chair to Speaker of the Commonwealth and the name of Legislative Aide to the Clerk of the Commonwealth.*

Whereas, it is more sensible in terms of the legislative body to have the names match the respective needs of the body and for the names of these positions to be more defined to fit a legislative approach.

Be it resolved, The Council of Commonwealth Student Government implements the name change of the positions Campus Chair to Speaker of the Commonwealth and Legislative Aide to Clerk of the Commonwealth.

Respectfully,

Constitutional Review Committee
